

It's time to **THANK YOU!**

During this time of uncertainty, isolation, and darkness, YOU and our officers have served as a constant force of hope and light. YOUR outpouring love and heartfelt support to "pay it forward" has unified our community, having a positive impact on our officers.

Last but not least, THANK YOU to our courageous officers who have been tasked to work around the clock but still find the time to go above and beyond their call of duty to "pay it forward."

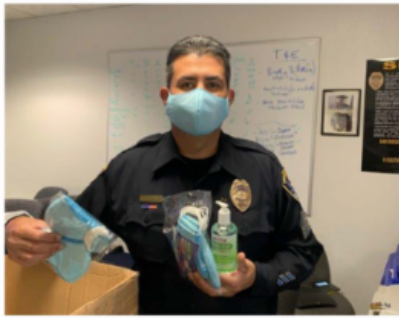

YOU all should feel proud to be part of the San Diego Community.
THANK YOU!!!
